

Be Yourself

You'll be happiest when you are true to yourself. When you're not faking it or trying too hard to be someone you're not. Don't be afraid if you are different from others. Celebrate your uniqueness. Be yourself. Your best self. And your true friends will love you for it. One of my favorite quotes comes from Dr. Seuss: "Be who you are and say what you feel, because those who mind don't matter and those who matter don't mind."
