

“Top Gun” Turtle Shake

1 milkshake glass

1 T Mrs. Richardson's chocolate fudge topping

1 T Mrs. Richardson's butterscotch/caramel topping

1 1/2 c Dreyer's chocolate ice cream

2 T milk

1 T roasted caramel pecans

Using spoon or squirt bottle, stripe inside of glass with fudge and butterscotch/caramel toppings. I did a little modern art inside mine so as to cover more “square footage” with toppings. Place glass in freezer for a good hour or more. Meanwhile, roast and caramelize pecans.

Combine ice cream and milk in bowl. Mix with spoon just until combined. Mixture will be thick. Add more milk if needed. Remove glass from freezer. Drop half the pecans into bottom of glass. Spoon ice cream into glass. Top with remaining pecans.
