

Treat Cones

Curl your paper into a cone and you've got an instant treat holder. It's a fun and unique way to serve snacks, and it is so easy. You can use different colors or patterns of paper for any holiday or themed event. And they are perfect for movie night. TV time. After school. Or when you've had a bad day and need cheering up. Or for no reason at all.... And the best part? No dishes to wash!

Supplies:

paper

tape

Place paper flat in diamond shape. Curl right corner in towards the center, making cone shape (paper should narrow towards one corner and widen towards the opposite corner). Secure with tape. Curl left corner around cone, making sure narrow corner is tight and paper is cone-shaped. Secure with tape. Use to serve popcorn, snacks, treats, candy, nuts, etc.
