

## Tropical Fruit Slush

3 c water

1½ c sugar

1/3 c fresh lemon juice (about 3 lemons)

1 12-oz. can frozen orange juice concentrate, thawed

2 11-oz. cans mandarin oranges, drained

1 20-oz. can crushed pineapple, undrained

6 bananas, diced

1 10-oz. jar maraschino cherries, drained and halved

Bring water and sugar to boil in saucepan over medium heat. Boil and stir for 3 minutes. Remove from heat. Cool to room temperature. In large bowl, mix sugar water with lemon juice and orange juice concentrate. Stir in fruit. Pour into airtight containers and freeze overnight (smaller containers freeze faster). Remove from freezer 20 minutes before serving. Break up slush with fork and serve in cups or bowls.
