

## Spaghetti and Meatballs

1 batch meatballs

3 cups spaghetti sauce (Prego Three Cheese is my favorite)

1 pkg. spaghetti noodles, cooked according to package directions

Grease 9 x 13 pan. Place browned meatballs in pan. Cover with spaghetti sauce. Stir in 1 cup water. Bake at 350°F for 30-40 minutes or until bubbly. Serve over noodles.

Quick cooking method:

Heat meatballs, spaghetti sauce and 1/2 cup water in skillet over medium/low heat. Simmer for 10 minutes.
